Mr. Carlisle is said to be fond of solitude. The lone hand in the incoming administration, however, will be played by G. C.

A "pink butter bill" is the latest legislative bill in Missouri. It declares that oleomargarine or butterine sold in that state must be colored pink so as to indicate on its face that it is not the real article.

The Toronto Globe wants "the pension debauchery in the United States" abolished, because, "to raise funds to meet its demands Canada is taxed by its excessive Tariff." The Globe evidently thinks the Democratic party will legislate in behalf of foreign interests.

First Hawaii, then Canada, then Cuba. How would this order suit the American people? It would give the United States primacy in Pacific commerce, supremacy over the North American continent, and perpetual possession of the Queen of the Antilles, the key to the Gulf of Mexico.

Not very long ago Judge Gresham was a candidate for the Republican nomination for President. Last summer his views were such that the Populists wanted him for their National standard bearer. Now The Boston Herald declares that "he is fully in sympathy with President Cleveland." Judge Gresham is a gentleman of versatile accomplishments.

The protest of New Zealand against the annexation of the Hawaiian Islands by the United States emphasizes the necessity of adding those Islands to American territory. Australia and New Zealand already look upon themselves as heirs to all the land above the waters of the Pacific. This sentiment is growing stronger with the advance of years, and has been strikingly illustrated in the seizure of a portion of New Guinea in behalf of the colony of Queensland. Australia and New Zealand look with longing gaze even as far as Hawaii, and this ambition of the antipodal Britons makes it all the more the part of wisdom to take Hawaii as an American outpost in the Pacific while we have the opportunity and the Hawaiians are willing.

ALICE JAMES is able to be up again after an illness of about two weeks.

JUDGE BAILEY of Harrodsburg has done away with the Jury Commissioners, and in the future the Sheriff will summon the Grand and Petit Juries.

Mrs. JOHN FOXWORTHY of near Mt. Carmel was reported to have died from the effects of old age taken while having some teeth extracted in Flemingsburg.

Nominate Your Faison, Please. Lawrence County Republican.—THE MANHATTAN PUBLIC LEDGER is one of the brightest little dailies in the state, and we scan it closer and clip from it more freely than from any other daily we receive. It is Republican in politics, live and progressive, and contains all of the news of the day in condensed form.

Uncle Tom's Cabin was given to the public at the time of the Civil War, but names were heinously blemished, their prejudices and their established modes of thought, and the growing conviction felt in their inmost heart that slavery was all wrong. The book was eagerly devoured by all, high and low, rich and poor, and the effect of the impression created was felt immediately. Its great popularity was not diminished by time but has rather been enhanced by drama, action and frequent production.

Ed. F. Davis' colossal spectacular Uncle Tom's Cabin will appear at Washington Opera house next Tuesday evening, February 1st, Seats at Nelson's Prices \$3, \$5, 75 cents.

THE NEWPORT WAY.

The Members of the City Council and the Ex-Mayor Indict.

The biggest sensation that has struck the city of Newport for many years was caused Saturday, when the Campbell County Grand Jury returned indictments against every member of the present Council and ex-Mayor Albert S. Berry for malfeasance in office.

The Councilmen charged with malfeasance are James Dunlop, S. J. Meyers, M. D. Morris, W. H. Price, John Knobell, John G. Wall, Frank A. Brown, John Hollister, A. Z. Crotts, James Knobell, George Smith, George Tipperhauer and John Schuer.

In addition to these, Councilmen Knobell, Ryan and ex-Councilman Ben Klein were indicted for bribery and ex-Mayor Berry for giving a bribe.

Six indictments were also returned against County Clerk Thomas Jones for malfeasance in office.

The report of the Grand Jury, when heralded abroad, fell like a thunder-clap upon the ears of the citizens, who, knowing that an investigation of recent transactions in the city did not find any criminal conduct, were shocked.

The bribery cases, it is alleged, are the result of the late entrance into Newport of the Electric Light Company which tried to knock out the Gas Company.

The dispensary system of controlling the liquor traffic which is maintained in Clark county, Ga., has proved a success from at least a pecuniary point of view. Under this plan the county, operating through an agent, is the sole vendor of intoxicants within its borders. The report of the agent for last year shows that \$5,000 was spent in the purchase of liquor, which yielded a gross return of \$77,000. The net profit was \$14,000. The social effect of this system is not stated. It is not probable, however, that the dispensary idea will be adopted North of Mason and Dixon's line.

Abrraham Lincoln.

Chicago Tribune—He has become the typical American and the people's ideal all over this broad land. They cherish his memory with a love and enthusiasm they give to no other American, not even Washington. This sentiment grows stronger each year, and as time goes on his life and his service to the country will come to be more and more clear, and his simple, strong character, his faith in the people and his patriotism to be universally appreciated. Even Southernly America is dying out. That section is fast appreciating the noble character of the representative of the plain people, and will yet join the North in the request that his birthday shall be made a National holiday, and that each recurring February shall illustrate to the rising generations the traits of character of the great Illinoisan as well as of the great Virginian.

WINTER CLOTHES.

A mild form of bowel complaint, popularly known as winter choler, made its appearance recently at Fairhaven, Mass., and several other places. No one has been able to identify it, as a few cases of Chamberlain's Cough, Cholera, and Diarrhea Remedy will effect a cure in every case. For sale by Power & Reynolds, druggists.

The Grand Jury of Maccin county returned 25 indictments in nine days, most of which were for the illicit sale of whisky.

HUNTSVILLE-KENTUCKY.

From Daniel, Ill., Mrs. H. J. Nabors writes:

I have been trying now for scrub-ups and am greatly improved. We are almost out of cold sores. Two boxes of Dr. H. J. Nabors' Cold Sore Remedy have almost sold out.

From Oliver Hill, Ky., Mrs. M. S. Matney writes Mar. 13th, 1862:

My daughter has been afflicted with erysipelas in her left foot and leg. She is now past 12 years old and has never had it before.

It costs no more to get the heat. This is the best ointment in the world for general use. Get a box at Power & Reynolds' druggists.

GEORGE ZELLERS of Henderson, Deputy Grand Master I. O. O. F., is at present on a tour of inspection of all the Lodges of the state.

PILGRIM PILLS.

Dr. William Oliver's Pilgrim Pill Dispenser will sell them in all drugstores and apothecaries. They have been taken by Dr. W. F. Coons, Mayfield, Ky., says: "I have suffered for years with itchy piles, and have used many remedies. I have used Dr. Williams' lotion, Dr. H. J. Nabors' Cold Sore Remedy, every other remedy has failed." Every box is warranted. Sold by druggists, or sent by mail on receipt of price, fifty cents and \$1 per box. WILLIAMS' O. O. F. Co., Cleveland, O.

For sale by J. M. Peck, wholesale and retail druggist.

The convicts at the Edenville branch prison yesterday adopted resolutions expressing their grief over the death of Miss Jeanne Cassedy of Louisville.

The House of the Kentucky General Assembly has begun the consideration of a new general bill on prisons. If passed it will put the penitentiaries under the supervision of a Board of Managers, instead of the Sinking Fund Committee, as at present.

Group of Springfield, N. J.

My boy, two years ago, was recently taken with a severe attack of chrop and I thought sure that I would lose him. I had sent him to Dr. W. F. Coons, Mayfield, Ky., and he refused to try it and am happy to say that after two days of rest and a good sleep he was well again. He had another attack the next night; I gave the same remedy and he got well again. I have never had such a remedy so high. T. M. McLEOD, 36 Park Street, New York.

Chamberlain's Cold Sore Remedy will only cure chrop, but will prevent it. If frosty arises as soon as the child becomes borse, or even after the chropy cough appears, it will prevent the chrop. It is the only remedy required. There is no danger in giving it freely, as it contains nothing injurious. 25 and 50 cent bottles for sale by Power & Reynolds, druggists.

FIRE and Accident Ins. W. R. Warder.

PUBLIC SALE!

Having decided to quit farming, I will offer sale at my home on the Murphyville and Mayfield roads, one mile south of Murphyville, on

TUESDAY, FEBRUARY 28th, my farming implements and live stock, consisting of ten head of horses, among them two good mares, two colts, 300 head of cattle, one ox, two mares, and 160 head of sheep. Terms made known on day of sale. Sale will commence at 10 o'clock a.m. E. W. GALBREATH.

Our Tagabond Ordinances.

Says The Courier Journal: The ordinance recently passed by the City Council of Mayfield is for the laudable but vain purpose of compelling an absolute scale, to weigh up their qualities, and to provide that any citizen of Mayfield who shall wilfully neglect and by reason of idle ness or drunkenness or any other im moral cause fail to provide for his family dependent upon him for support, shall be fined not exceeding \$50 nor less than \$5 and confined in the workhouse at hard labor not more than sixty days nor less than ten days or both fined and imprisoned.

The intent of such an enactment is good, but it is clearly legislation against original sin and total depravity, which are a little too deep for the legislative plummet.

THOMAS A. KEITH.

FARM IN THE COUNTY.

It contains about 300 acres, 300 acres of which is fine white oak timber. Terms—One-fourth cash, balanced in one, two and three years, with 6 per cent. interest to the holder.
